“The depth of quality engagement with prospective investors during our presentation, the trade booth and in the days following was well worth our investment. We’re **building new relationships with an audience who would have never heard our story** without RetailInvestorConferences.com. That’s powerful for an OTC company.”

~ Meghan O’Sullivan, PR, Regenicin

“It can be difficult to reach retail investors, however, RetailInvestorConferences.com’s combination of BetterInvesting’s network, PR Newswire’s access to broad media and **MUNCmedia’s technology create a great platform** for companies looking to expand their reach and increase awareness among retail investors.”

~ Jeff Lambert, Managing Partner, Lambert Edwards & Associates

“I believe the RetailInvestorConferences.com allows more people to attend a corporate presentation. Therefore, I can reach more interested investors in a cost effective and efficient way. **The Q&A in my virtual booth was very beneficial for both me and the attendees**. Investors are able to get the information they need in order to make an educated decision about potentially adding our stock to their investment portfolio.”

~ Shawn Roberts, Director of Investor Relations, TSYS

“I think this conference forum is the best thing I have ever seen. It’s amazing, interactive, fast, the layout is amazing, it’s GREAT! **Whoever did this is a genius!**”

~ Fred De Luca Attending Individual Investor
